

Yes on Measure V for a More Affordable San Jose

MEASURE V will provide meaningful housing solutions by expanding access to truly affordable housing for our working families, teachers, nurses, students and veterans in San Jose, while transitioning our homeless residents from streets and underpasses into homes.

Join the coalition to support Measure V to allow our kids and grandkids — and everyone who is from San Jose — to stay in San Jose. Community leaders and organizations who have endorsed Measure V include:

- Mayor Sam Liccardo
 - Santa Clara County Assessor Larry Stone
 - League of Women Voters
 - Conxión to Community
 - Save The Bay Action Fund
 - Native Voice
 - La Raza Roundtable
- And others are all saying YES on Measure V.*
